The Courage to Lead:

A Mini Guide to Leading Through Uncertainty

Introduction

Leadership in times of change isn't about having all the answers—it's about having the courage to move forward anyway.

From control to curiosity

From perfection to presence

From fear to values

From isolation to collaboration

From overwhelm to intention

Courageous Questions to Ask Your Team

1. What do you need most from me right now?

2. What's one idea we haven't explored yet?

1. One brave action I can take this week is...

2. If I led from courage instead of fear, I would...
